(III) The impact of the overall operating environment

The Russo-Ukrainian War has become protracted and expanded, China-US technology decoupling and geopolitical conflict have become more and more intense, and de-globalization has developed and trade protectionism has intensified. The gradual cooling of the global economy, the lesser-than-expected recovery of China's domestic economy, and the slower-than-expected recovery of the downstream market have made the trend of economic slowdown more and more obvious; throughout the year, the sewing machinery industry continued to weaken, with a significant decline in production, a sharp decline in domestic demand, and a steady increase in external demand. Efficiency has declined significantly, production and sales have fallen to the relatively low level in 2020, and enterprises are generally under the pressure and test of high inventory, low demand, high cost, and low profit. The macroeconomic outlook for 2024 is that the U.S. economy will slow down but not decline, the European economy will recover, China's economic growth is expected to return to the trend of steady level, China and the U.S. are expected to replenish inventories, and the manufacturing economy will rebound with the marginal improvement of external demand. Hence, strengthening confidence, practicing internal skills hard, seeking opportunities in crisis, seeking progress in stability, and innovation and reform are still important tasks for the company.

Future With product leadership, technological innovation, quality brand competitiveness continues to enhance, smart manufacturing and digital level continues to improve, the Company is looking forward to becoming a world-class supplier of sewing components and integration solutions for sewing equipment.

INDEPENDENT AUDITORS' REPORT

The Board of Directors and Shareholders
Strong H Machinery Technology (Cayman) Incorporation

Opinion

We have audited the accompanying consolidated financial statements of Strong H Machinery Technology (Cayman) Incorporation and its subsidiaries (collectively referred to as the “Group”), which comprise the consolidated balance sheets as of December 31, 2023 and 2022, and the consolidated statements of comprehensive income, changes in equity, and cash flows for the years then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies (collectively referred to as the “consolidated financial statements”).

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2023 and 2022, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and the Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2023. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The key audit matter from the audit of the Group's consolidated financial statement is as below:

The Occurrence of Revenue Recognition

The Group's revenue mainly consists of the sales of industrial sewing machine spare parts. For some of the major clients, the Group recognizes sales revenue when the goods have been delivered to the client's designated location and accounting records have been verified that they have been completed in accordance with the agreement. As the above-mentioned sales revenue is significant for the year ended December 31, 2023, the occurrence of revenue recognition for the aforementioned type of sales revenue has been deemed as a key audit matter for the year ended December 31, 2023.

To address this matter, we evaluated the Group's revenue recognition policy, trading characteristics, and the relevant design and implementation of internal control for this type of revenue. We also performed relevant tests of controls and substantive tests. We selected samples of revenue for this type of sale and verified them against the client's transaction statements and the related documents to confirm that the transactions had occurred.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including audit committee, are responsible for overseeing the Group's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2023 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audits resulting in this independent auditors' report are Wen-Yuan Chuang and Chingcheng Yang.

- (b) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (a) of this Article with full power to the Board to make such provisions as it thinks fit in the case of Shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Members concerned), and no Members who will be affected thereby shall be, and they shall be deemed not to be, a separate Class of Members by reason only of the exercise of this power. - (b) Subject to the Statute, whenever such a resolution as aforesaid shall have been passed, the Board shall make all appropriations and applications of the reserves or profits resolved to be capitalised thereby, and attend to all allotments and issuance of fully paid Shares and generally shall do all acts and things required to give effect thereto. For the purpose of giving effect to any resolution under this Article, the Board may settle any difficulty which may arise in regard to any distribution under this Article as it thinks fit, and in particular may disregard fractional entitlements altogether or round the same up or down and may determine that cash payments shall be made to any Members in lieu of fractional entitlements or that fractions of such value as the Board may determine may be disregarded in order to adjust the rights of all parties or that fractional entitlements shall be aggregated and sold and the benefit shall accrue to the Company rather than to the Members concerned, and no Members who are affected thereby shall be deemed to be, and they shall be deemed not to be, a separate class of Members by reason only of the exercise of this power. The Board may authorise any person to enter on behalf of the persons entitled to participate in the distribution any agreement with the Company necessary or desirable for giving effect thereto and such appointment and any agreement made under such authority shall be effective and binding upon all concerned.

may be time consuming or expensive to ascertain whether in absolute terms or in relation to the value of the holding of Shares of the Member concerned, and in such event the provisions aforesaid shall be read and construed subject to such determination and no Member who may be affected by any such determination shall be, and they shall be deemed not to be, a separate class of Members for any purposes whatsoever.
